

Product Information

- Accurate, quick and simple measuring of the clamping force of hydraulic chucks
- Mobility allows measuring within machines and fixtures
- Determines clamping force via a pressure sensitive plug gauge
- Display of absolute measuring value or percentage clamping force in relation to reference value

Scope of Delivery

- Includes carbide proofing bar for determining the torque
- Includes type CR 2430 battery
- Includes sturdy case

Item	Size (mm)	Order Number
Collet Gauge	6	483.038.006.000
Collet Gauge	8	483.038.008.000
Collet Gauge	10	483.038.010.000
Collet Gauge	12	483.038.012.000
Collet Gauge	14	483.038.014.000
Collet Gauge	16	483.038.016.000
Collet Gauge	18	483.038.018.000
Collet Gauge	20	483.038.020.000
Collet Gauge	25	483.038.025.000
Collet Gauge	32	483.038.032.000
