# HSK-C hydraulic chucks with increased clamping force

**Product information**
- balancing quality: G6.3 / 15,000 rev./min
- axial length setting
- clamping-Ø for shank tolerance h6

**Scope of delivery**
- incl. setting screw Guhring no. 4900
- incl. clamping key Guhring no. 4912

**Guhring no.** 4267
